Rudloc Road Medical and Dental Centre, 40 Rudloc Road, Morley WA  
Reception: (08) 6188 5555 - [dramirwaly.com.au](http://dramirwaly.com.au)

## **Cosmetic Medicine - Patient Information**

### **About this service**

Dr Waly provides non-surgical cosmetic medicine for adult patients, including consultation on anti-wrinkle injection treatments, dermal fillers, and selected related procedures. Every treatment is preceded by a separate clinical consultation.

### **Before your appointment**

- A consultation is required before any cosmetic procedure. Treatment is not performed at the first visit.
- A minimum 7-day cooling-off period applies between the consultation and any non-surgical cosmetic treatment.
- Please bring a current list of your medications and any relevant medical history.

### **What to expect**

1. Consultation - your concerns, history, and whether the treatment is clinically suitable.
2. Written information - benefits, risks, side effects, recovery, and total cost.
3. Cooling-off period of at least seven days.
4. Treatment performed in the clinic with written informed consent.
5. Review appointment to assess response.

### **Important information**

- All cosmetic procedures carry risks. These are discussed in detail before any treatment.
- Results vary between individuals. No outcome is guaranteed.
- Cosmetic procedures performed for purely cosmetic indications are not Medicare-rebatable. Fees are agreed in writing before any treatment.
- Cosmetic injectables are generally not appropriate for patients under 18 years of age.
- This practice does not use patient testimonials or before-and-after imagery, in line with AHPRA and TGA requirements.

### **In a medical emergency**

Call 000. For non-emergency after-hours health advice, Healthdirect is available on 1800 022 222.
